Dear partners & colleagues,

Re : IFB INTERNATIONAL FREIGHTBRIDGE (ZHEJIANG) LIMITED

With the granting of Class A licence to IFB Zhejiang in January 2004, we are pleased to announce the opening of its branch offices in Nanjing and Ningbo simultaneously, with effect from August 01, 2004.

Being a Class A license holder, IFB NANJING AND NINGBO are able to provide more comprehensive and yet competitive services to our clients & partners. The two offices are upgraded to cope with the rapid export growth in Nanjing & Ningbo area.

To be in line with our fundamental commitment of fortifying Class A licence office network in China, in addition to our sophisticated China experience, we are presently engaged in the process of applying another Class A licence for the office in Shanghai.
