All the activities and functions of IFB Shenzhen Representative Office are under the supervision and instruction of IFB INTERNATIONAL FREIGHTBRIDGE LTD. in Hong Kong. The main functions are as follows:

1. To assist IFB Hong Kong office for customers co-ordination and communication; shipping documents preparations; etc.
2. To collect market information for IFB Hong Kong office in order to develop new business at Pearl River Delta in South China including Shenzhen, Yantian, Shekou, Chiwan, Dongguan, Huizhou, Shantou and Chaozhou; etc.
3. To co-ordinate with IFB Hong Kong office in Guangdong province local trucking and customs clearance services.
4. To keep close contact and good relationship with Shenzhen carriers enabling IFB Hong Kong office to get extra space allotment, if necessary.

Currently, freight booking for shipments ex. South China and Hong Kong ports are conducted by IFB Hong Kong Office and a separate notice will be issued if our Shenzhen Representative Office is to take further responsibilities in the near future.

Business enquiries are all welcome.
